

The listed side matches will be run by the guidelines described.

DERRINGER – POCKET PISTOL – SPEED PISTOL – SPEED RIFLE – SPEED SHOTGUN

A scenario will be posted at each stage. The fastest time of the day will win. Each shooter will be allowed to shoot as often as they like throughout the day. A maximum of one run per turn will be allowed if other shooters are waiting. Pocket Pistol and Derringer will be allowed a maximum of two runs each as loading is done at the shooting table not the loading tables. You must hit all rounds to qualify.

Awards will be given for both Male and Female winners in each category. We are also offering a senior category in Shotgun, Pistol and Rifle. You will need to decide prior to shooting if you want to be a Senior or not for that category

Shotgun will be divided into three categories – 1 – Pump – 2 – Double – 3 – 87

Pistol will be divided into two categories – 1 – Traditional/Two Handed – 2 – Duelist – One handed/Gunfighter

LONG RANGE – 200 YARD AND 100 YARD

There will be a practice area setup; each shooter will have 5 minutes (ONLY) before the first run if it does not interfere with the timer or another shooter. Shooting may either be off-hand, cross-sticks or an adjustable front rest (NO) rear rifle sand bag rest will be used, elbow pad will be allowed.

In the event of a tie – a shoot off will be held at 3pm Thursday
